#### Comments by people who have attended our past workshops:

Great information ... great tools to help me to continue to move forward

Lovely team of people both the audience and trainers. Felt comfortable and safe

Good workshop for partners to attend in a safe relaxed setting

I came away feeling empowered and confident... it was fantastic

I was able to take some things away which were new and life changing

There was a real sense of respect and understanding from the facilitators

### Aims:

- Break out of isolation and meet others in a safe space
- Exchanging shame with self confidence
- Expressing anger safely and how we can assert ourselves healthily
- Moving from Flashbacks to safety and self-empowerment
- How we can create safety and self-assurance around sex
- Developing healthy secure attachments
- Safe for Survivors and partners
- Relevant for counsellors/mental health professionals

**A relaxed and friendly environment where we will come together to learn, share and support each other.**

Please note: This workshop contains no graphic details of past abuse
